

Welcome to the second edition of Travelport Fast Forward 2008

Sveicināti (rudenī) !

Nosūtām Jums otro 2008. gada Travelport Global Fast Forward elektronisko jaunumu lapu. Tajā ir apkopotas ziņas par Travelport sasniegumiem kopš iepriekšējā ziņu izlaiduma aprīlī.

Pats jaunākais sasniegums ir veiksmīgā divu datu apstrādes centru apvienošana vienā - jaunajā Travelport Atlantas datu centrā, kurai līdzīgas vēl nav bijis elektronisko rezervāciju vēsturē. Šī datu centru apvienošana turpina pagājušajā gadā iesākto divu globālo rezervēšanas sistēmu Galileo un Worldspan resursu un tehnoloģiju optimizācijas procesu, kā rezultātā būs iespējama kvalitatīvāka un efektīvāka klientu apkalpošana. Tagad, kad arī fiziski abu sistēmu resursi ir apvienoti , arvien vairāk un vairāk vērsīsimies pie Jums kā Travelport , saglabājot Galileo un Worldspan kā produktu līniju nosaukumus.

Laikā kopš aprīļa vēstkopas, esam sākuši īstenot projektu par īpašām investīcijām Tuvajos Austrumos - Saudi Arābijā, Apvienotajos Emirātos un Ēģiptē - paplašinot Travelport Dubaijas biroju vairakkārtīgi. Tas ļaus Travelport sniegt vislabāko servisu mūsu tūrisma un aviācijas industrijas partneriem reģionā. Esam arī paplašinājuši Travelport biroju Ungārijā un attīstīsim to par Dienvidaustrumeiropas zināšanu un klientu atbalsta centru.

Travelport investīcijas tiek arī novērtētas - esam atzīti par Portugāles " Labāko kompāniju tūrisma industrijā" un mūsu interneta vietne ir atzīta par Vācijas " Labāko CRS interneta vietni ", kā arī par " Iecienītāko CRS " Kanādā.

Par visu šo un vēl vairāk sīkāk varat izlasīt zemāk - jaunajā Fast Forward izdevumā.

Lai Jums veiksmīgs rudens sezonas iesākums un uz turpmāku sadzirdēšanos,

Travelport Baltijas birojs :)

Significant recent customer wins, supplier successes and accolades

Travelport has signed long-term full content deals with Lufthansa and SWISS – no GDS surcharges guaranteed for Galileo and Worldspan-connected agencies from 1 July on LH and LX's Preferred Fares programmes for the next three years.

Our agreement with Pegasus offers reduced pricing for commission processing, reconciliation and tracking for Galileo-connected Travel Agents.

Hotel chains continue joining Galileo RoomMaster for Agency - allowing you to shop 400 hotels brands and over 80,000 properties worldwide – and receive instant booking confirmations.

We are also extremely proud of the recent awards we have won.

Easier ways to do business

As we continue to work with you to ensure our service and products provide easier ways for you to do your business, we have recently launched the Travelport Carbon Tracker. This web-based, multi-GDS tool provides the information a company needs to understand and more effectively manage its carbon footprint. Travelport has done exceptionally well in meeting the IATA's Simplify the Business initiative of meeting the 100% e-tickets goal. Galileo launched a new solution to facilitate integration and management of all content bookings – Galileo Non Host Content Integrator. Eurostar is now available to Galileo users in the UK and enables you to book and e-ticket Eurostar services "airline-style".
